

**SPEAKER (0.1 CEU CREDIT):**  
**"European Design Trends"**

**Mick Ricereto**

is an accomplished product designer specializing in architectural product design for interiors. The designer's expertise lies in furniture, hardware, kitchen and bath products, cabinetry and lighting. Mick's solid background of 9 years in product design/management experience is based on a total 14-year foundation in the interior design and kitchen & bath business arena. For over seven years Mick has been a Product Designer and Showroom Planner for SieMatic USA, the leading German kitchen cabinet manufacturer in the United States. Mick has helped develop products specifically for the North American Market, and has been responsible for designing SieMatic Corporate Showrooms and showrooms of various retail partners as well.
