CEU For Commercial Designers & Architects

“Light Control in the Office Space”

Presented by Roger Tysor, Lutron Electronics

1 hour CEU for AIA members (no fee)

At Johnson Simon Resources Showroom #161

By examining current conditions in the work place, designers and architects will learn how to describe the ecological, economic, and technological impacts has on a building and its occupants, and how integrated light control within a building improves efficiency, occupant comfort, and maintenance and will be able to apply a myriad of light control strategies for particular building spaces to improve building efficiency and occupant productivity.

Seating is limited and reservations are required.

Please RSVP to events@thehoustondesigncenter.com or call 713-864-2660.

Tuesday, October 13

10 – 11 AM

CEU For Interior Designers

“What Makes Antiques Special”

Presentation by Beverly Vosco

1 hour CEU (no fee)

Charlotte Nail Antiques Showroom #165

English and French Antique furniture has been popular since its inception when it was new and not “Antique” several hundred years ago, it has remained popular over the last 200 years and it is still popular and purchased by millions today! Yet styles and trends change every 5-10 years and what is known as “contemporary furniture” goes out of style with every style change. What makes Antiques so popular that they have been able to transcend all these stylistic changes and continue to remain popular for such a long time period? Come take this CEU and find out!

Seating is limited and reservations are required.

Please RSVP to events@thehoustondesigncenter.com or call 713-864-2660.

11:30 AM – 1 PM

Keynote Address & Luncheon

“A Celebration of Southern Accents:

32 Years of Design Excellence.”

With Karen Carroll

At Alkusari Stone Showroom # 229

The Houston Design Center welcomes Southern Accents Editor-in-Chief Karen Carroll to Leading Design – Fall Market 2009. Renown for showcasing beautiful houses, art, antiques and gardens of the South, *Southern Accents* has had an immeasurable impact on designers, taste makers, and design enthusiasts. Come meet Karen and enjoy a lively presentation and celebration of 32 Years of Design Excellence with images, stories, inspiration and ideas. The keynote address will be held in the exquisite showroom at Alkusari Stone.

Seating is limited and reservations are required.

Please RSVP to events@thehoustondesigncenter.com or call 713-864-2660.

Carol Isaak Barden presents

"Exquisite Rebirth, Incredible Design from Fallen Trees"

Introducing TruTimber, Houston's Urban Forest Recovery pioneers

At Belle Maison Designs Showroom # 156

Join Carol Isaak Barden, an up-and-coming Houston developer and former journalist, for her presentation on “The Tree House.” This latest green building project features an extraordinary home built from wood from one single tree that fell during Hurricane Ike. Joining Carol in her program will be Clay Robinson and Brian Connor of TruTimber. TruTimber, Houston’s Urban Forest Recovery pioneers, will share their process of upcycling trees into fantastic furniture, sculpture and architectural products. Come to the presentation to learn more about the TruTimber mission.

Seating is limited and reservations are required.

Please RSVP to events@thehoustondesigncenter.com or call 713-864-2660.
