

THE

HOUSTON
DESIGN
CENTER

CENTER FEATURES

DEVELOPMENT:

The Houston Design Center features high-end decorator showrooms and first-class offices situated in a unique environment with 15 acres of beautifully landscaped grounds. The development encompasses open green spaces, flowers, fountains, outdoor gazebo and a scenic lake inhabited with fish, ducks and birds. Showrooms have beautiful views into the trees and overlooking the campus. Designers have the convenience of close-in parking, lots of natural light and rear door pick-up at many of the showrooms. The Houston Design Center is home to the ASID, Texas Gulf Coast Chapter. On-site management and marketing provide on-going services to all showrooms.

LOCATION:

Located at 7026 Old Katy Road, the development provides easy access to and from Downtown Houston, The Galleria, Loop 610 and Katy Freeway. Businesses located at The Houston Design Center enjoy the convenience of the location and the ease of access onto major thoroughfares without traffic congestion. The Houston Design Center is just blocks away from Loop 610, I-10, and the HOV lane allowing easy freeway access west to the Memorial area and West Houston, east to Downtown and River Oaks, and north towards 290 and The George Bush Intercontinental Airport. Within just a few miles you will find entertainment and retail centers, restaurants, The Houstonian Hotel and Memorial Park.

SHOWROOMS:

The Houston Design Center features 280,000 square feet of showroom and office space. Both residential and commercial to-the-trade showrooms occupy first and second floors. With more than 40 showrooms and design firms, The Houston Design Center is the most complete source for the finest in interior furnishings and furniture, unique fabrics, wall and floor coverings, lighting, art, antiques, accessories, florals and fixtures for home or office. Interior spaces feature 11 foot ceiling height with floor to ceiling window views of the grounds and natural sunlight. Wide open covered walkways provide ease of access for shopping and pedestrian traffic.

PARKING AND SECURITY:

Ample free parking is available throughout the campus setting. Close-in parking for visitors provides customers with easy access to showrooms and offices. The Houston Design Center complex is completely fenced and gated offering tenants a secure environment. For after-hours entry, there is an electronic gate with key card access.

EVENTS:

The Houston Design Center offers a full calendar of special events, charity fundraisers and continuing education programs for the design industry. Popular events include *“Leading in Design Education”* - a monthly event on the 2nd Tuesday of every month and a major design market conducted both in the Spring and Fall each year.

LEADERS IN DESIGN

The Houston Design Center presents Leaders in Design with special appearances, lectures and book signings with some of the industry's internationally famous designers.
